## Client Comments From Previous Open Courses:

"Prior to attending this course my sales had been a sore topic, it just wasn't happening basically. With average monthly sales of £3,000 prior to the course it was a much needed! Since then, I nervously changed what I was saying on the telephone and monitored how my calls were going. I am now sitting on a total of £13,725 currently (April sales) with more due to come in before the end of the month, March was a decent month also with around £7,000 worth of sales. Things since the course have definitely picked up, my confidence speaking with people on the phone, my ability to adapt what I am saying to people, the ability to deal with objections better, its all been great since the course. Just thought I'd send an email to let you know how I have been getting on and to thank you for the course, it was just fantastic"

**Sam Skelly – Telesales Assistant – NBS**

"The sales course was dynamic and very beneficial. I was struggling to make sales before but now I feel really confident that when I get back to the office I'll be able to improve upon my figures"

"10 out of 10. The application of the techniques will improve every aspect of my sales cycle as a whole. All I can say is that at not one point of the course did I want to be anywhere else, it was engaging and fun. My idea of how education should be!
